STORIE

Mid

Mid reinterprets small artisanal productions with the precision of porcelain stoneware. In the 6×24 cm format with a Glossy finish, each piece is unique thanks to the glass grit and glossy glaze, rich in nuances and edge burnishing. Available in six powdery shades — Lino, Sabbia, Ambra, Rubino, Turchese, and Salvia — it is completed by the 3D Way structure, ideal for decorative walls and architectural details. Mid is ideal for cladding interior walls, but it is also suitable for furnishing elements and façades.
